MONTHLY GET TOGETHER

We fellowship once a month @ Life Church
54 Bhengu Drive, Amanzimtoti @ 7h00 pm.
Next meeting on the 5th December 2014.

GREETINGS

Warmest greetings to all members and other brothers and sisters in Christ! Welcome to the 'festive' month of December, where we as Christians celebrate the birth of our Saviour, Jesus Christ. I am reminded of a note I made last year, that really saddened me, but is very true of the world today... "The wise men could not find Christ in the world. All the motels were sold out. Today 30% of all retail sales take place in department stores, 50% of all parties are held over Christmas & New Year. 1 out of every 10 litres of alcohol is sold too!! Clearly Jesus is good for business. Sadly people prefer the myth over

the Master. People want a santa not a Saviour, a fairytale, not a fact." Christ Jesus came into the world to save sinners!!!! 1 Timothy 1:15

May we be ever mindful of who we are and who we represent during this 'silly' season.

Please do not forget to send me your prayer requests and testimonies, as well as any happenings at your churches that you would like us to attend or support. This would need to reach me latest 20th of a month.

I look forward to your input.

NEWS

At our monthly meeting on the 7th November we welcomed three more members into the chapter and a new leader. Welcome to Brian and Marie Drury and Renier Scholtz and congratulations to Werner Rossouw, becoming the Youth Leader.

On the 9th November we went to River Life church in Port Shepstone. We experienced a time of awesome worship and a message right to the heart on how we should love one another as God loves us. Had a great time of fellowship and mingling after the service with a good cuppa and then we were off to Leopards Rock Coffee Shop.

An amazing brunch-with-a-view was had with a time of wonderful fellowship, laughter and friendship enjoyed by every one who attended.

A word from a number of our brothers and sisters at River Life Church was that they felt blessed having us at the service and thought that what we are doing is truly a blessed ministry.

We went to The Oaks in Byrne on 22nd November for our mid-month run. Even though it threatened to rain, we had a great turn out of very enthusiastic bikers.

MESSAGE FROM BENNIE

The value of fellowship

When we moved down to Cape Town, we had mixed feelings. We were leaving our spiritual family behind in Durban, as well as our children. But we were also excited about the fact that we will “boldly go where we haven’t gone before”. We were looking forward to explore and enjoy the vast opportunities and beauty that the Cape has to offer.

We have seen places and nature that absolutely blows your breath away. We have put on over 6000 km’s since July 2014, drinking in the splendour and the beauty of God’s creation in the Western Cape (you probably got tired of all our photo’s). We felt His presence and greatness. We loved every moment of it. But something was missing: The dynamics of group riding and fellowship.

Yes, we found a new spiritual home. Yes, we are building new relationships. But when we get on the bike, it is just us. And that we miss. We miss Garth and Wendy's "1, 2, 3, lekker ry". We miss Elmari and Janna's stories and enthusiasm.

We miss André and Felicia's honesty and openness. We miss Sam and Colleen's pink attire and friendliness. We miss Werner and Michelle's youthfulness. We miss Alwyn and Suzette's friendship. We miss guys like Lovell, Lollie, Brian, Marie, Paul, Olga, Gerda, Henk and all the others who crossed our paths. We miss the fellowship. We miss the trust. We even miss the difference of opinions.

When we were presented with the Cape Town colours, we were excited but uncertain. I had a vision that God says He gives me mandate over the West Coast. And I am frightfully excited about the prospects. Yes, it does scare me. But we can't wait to see what God has in store for us. But I know – we will never have you guys in the new chapter. Each of you have climbed into our hearts and left lasting impressions and memories.

So next time you get together to fellowship – look at the one next to you and appreciate that person more. We were created for relationships. Treasure it. A ride is awesome. It is just more awesome with brothers and sisters.

Lots of love,

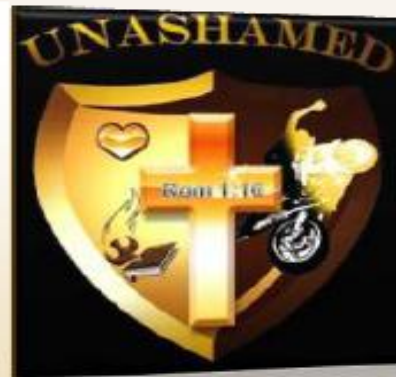

Bennie and Tienie

WORD FROM ANDRE

Dear Unashamed family

We are heading towards the end of the year where joyous celebration will take place to celebrate the birth of our Redeemer. This is also the time of the year where many lonely people, especially the elderly are neglected and where many give up on life and commit suicide.

Let us make a difference and firstly look after the lonely and the neglected in our own families, and if we have capacity try and reach out to others that we know of that is in need physically and also spiritually.

Let each of us ask the Lord to show us where we can make a difference and remember that we are blessed with loved ones and family as well as the never ending love and grace of God.

James 2:14-17 What does it profit, my brethren, if someone says he has faith but does not have works? Can faith save him? If a brother or sister is naked and destitute of daily food, and one of you says to them, "Depart in peace, be warmed and filled," but you do not give them the things which are needed for the body, what does it profit? Thus also faith by itself, if it does not

have works, is dead.

Be blessed to be a blessing

André and Felecia

THOUGHT FOR THE MONTH

"Whatever is right...think about it..."

Philippians 4:8

People and circumstances don't determine your attitude, YOU do!! Learn to focus on opportunities, not rights! We live in an imperfect world. Remember, God will right the wrongs done to His children. So look forward and focus on the future, not what's gone, but what's to come!!

May your Christmas be filled with the fruits of the Spirit and your New Year bursting with excitement for all our Father has in store for us to do for His Kingdom.

Yours in Christ.

Wendy
